H. R. 8909

COMMENTS ON PENDING LEGISLATION

Office of General Counsel

This bill incorporates the "employee organizations" provisions (in slightly different language) of H.R. 8002. Since it provides for representation by such organizations in grievance situations and in the determination of policies for dealing with grievances and other employee-relations matters, it would be objectionable to this Agency.

The present bill excludes CIA and the FBI from coverage. We should make sure that we are excluded from the text of any comparable bill that may be enacted into law.
